IMPORTANT INFORMATION: Only those who have completed the mandatory training session are authorized by HTSA to pick up the grinder pumps and are approved to install the connections. The list of contractors can be found on our website at www.hanoversewer.com under "**Forms and Information**." Please be aware that HTSA ***cannot and does not*** endorse any contractor, but provides the list only for your information and convenience. You enter into a contract with them at your own risk, so please make sure you understand the contract before signing it. If our office receives complaints about a particular contractor, they may be flagged and/or removed from the list. If you have any questions, please contact the office at **724-899-5055**.
